The Story:

I am not a regular punter, only ever partake in order to try something new that I cant get at home. Have very few to my name and this is the only one that made me really want to register and leave a report.

Tried a domination session for first time. Wont go into details but she definitely found a few sweet spots (the best are still a little bit sensitive) that I hadn't expected.

Chloe is a really lovely lady, calm, friendly, dominates with a smile and very easy to chat with afterwards - no awkwardness or unease.

If you are looking for a curvy lady who knows how to handle a man then she is a definite must visit.
