The Premises:

Usual safe, House of Divine South Kensington, about a 5 minute walk from Gloucester Rd Tube, parking ?2.00 an hour nearly right outside. Safe, albeit there are builders 2 doors away and opposite. Finally decided they were obviously unaware. Parking in one of the side streets is in the shade if you happen to visit on a hot day.

The Lady:

5"9 tall brunette, (not used to tall females), well spoken and very full on bubbly - nice arse and small but lovely and pert boobs, had her hair in 2 plaits (I googled that spelling so know it is correct!), which is new to me.

The Story:

Kitty was wonderfully enthusiastic, loads of kissing and completely open to anything I suggested. Gave amazing head and the best deep throat I have had (in fact I am going back just for this!). Lovely looking arsehole when I had her doggy style. If anything Kitty seems a bit new to the job so if you are OK to drive kitty will surely please! Lovely sense of humour. Her fun attitude rules and she made this particular 40 year old punter feel like a king! I will be back.
