The Premises:

If Carlsberg did parlours, they'd probably want to take a few tips from this place before getting the project under way. On the outside it's unobtrusive and discreet. On the inside it's, more akin to a health spar but with a wickedly erotic twist. There are circular beds adorned with pillows, mirrored ceilings and walls, moody lighting and a spar and showers. I love this place.

The Lady:

Sienna is just stunning in the flesh, a babe of real head turning dimensions and if you are disappointed by her looks I would recommend an eyesight check.

The Story:

This was my first visit to Victoria House and I was immediately impressed by both the outstanding quality and the friendly atmosphere. Sienna oozes with a celebrity kind of beauty, she is around 22 years old, about 5'3" with deep tanned soft skin and thick long dark hair. Her boobs are nicely enhanced, her nails perfectly manicured and her teeth pearly white. She would be quite at home on the cover of Okay magazine next to the likes of Cheryl Cole et al.

We discussed my requirements then started with a massage to get things under way. I'll keep the finer details between us but suffice to say that from there onwards it just got better and better until the finale.

I had a great time and will definitely be back for more.
