The Story:

I had been up early so was a little tired. Julie opened the door to me and led the way to her very nice bedroom. Gave me a kiss and settled funds. She stripped me off and I did the same for her, removing her sexy bra and panties. More kisses then I lay down for a back massage. Turned over and she asked if I wanted OWO or covered. I opted for some very nice OWO and fondled her very shaply boobs and extremely wet pussy. Even though I was not able to get rock hard (Very tired as I said) She still managed to get me firm enough and slipped the cover on with her mouth, lovely technique. She then mounted me cowgirl and I could feel her hot lips gripping me. Didn't last long before I came. Some more kissing and cuddles after she had cleaned us both up. We visit again when I more full of energy. No DFK but kissing was nice all the same.
