The Lady:

27 year-old mixed race girl with light dusky skin fit and slim with lovely Glasgow accent.

The Story:

After the offered shower and drink we lay down on the bed and moved naturally from a get-to-know you conversation into kissing and fondling before the main action. Various positions, sometimes initiated by Casey and sometimes by my request. All done willingly and with grace.

A previous FR said that her room lacked a mirror, well, I'm happy to report that it now has one and the sight, in that mirror, of her deep throating me will live with me for a very long time. Finished off with her on top - wonderful - then she cleaned me up before having a shower together.

Casey is delightful, made an old guy like me feel almost young again, and hopefully I'll be back.
