### The Premises:

Nice apartment in Canary Wharf. the entrance is quite public, depending on the time of day. The flat itself is very clean and smart with a nice bedroom and good facilities

### The Lady:

Olivia is 5'5" -ish, slim, with small breasts. She is very alternative looking, but very attractive, with lots of tattoos, piercings and she has unshaven pussy and armpits. She looks fabulous.

### The Story:

A couple of items she asked me to stress before the report itself.

- 1) She doesn't do same day appointments
- 2) She prefers text to make bookings
- 3) She wont answer withheld numbers

This was my second visit to Olivia, and was even more erotic than the first. She is a very natural person, so when she french kisses you as you walk in - it feels completely natural - like a horny girlfriend. That's how we started this time and she was wearing a lovely top that showed off her small pert breasts and a leather skirt with nice lingerie underneath. I showered and joined her in the bedroom where she had provided a couple of pints of water - things get hot and sweaty with Olivia. So on we go to the action; lots of deep french kissing, and feeling each other up - I find the feel of an unshaven pussy a real turn on - then soon we were both naked, and she gave me a good face sitting to start with, this really got her wet and me hard and soon she put on the condom for oral (Oral is always with), and she took me to the point where she was gagging slightly. Lots of fingering and kissing, and then we went for it ... the main reason I love seeing Olivia is the very extended orgasms she has. The first time I saw her she had 3 - how do I know? because (apart from the muscle spasms and eyes rolling and gasping) she squirts, quite copiously, with each one. This time she had 4 orgasms, every one preceeded with me deep inside her and her rubbing herself. At the right time I withdraw and out comes the juice ... and she looks so sexy. After the 4th I figured it was my turn, so it was off with the condom and she wanked me off fast over her tummy and breasts (she doesn't like facial or CIM). A fantastic hour spent with a beautiful, willing, sexy young lady. I'm probably double her age but I'm treated like a boyfriend she can't get enough of. I can't recommend highly enough.

Please respect the three items at the start of this FR and you will have a ball.
