### Details of Service Provider:

### The Premises:

Well reported walkup, 1st floor flat , smaller room than upstairs, single bed with mirrors for a good view of the action from all angles.

### The Lady:

Blonde lithuanian girl around 23 years old, nice figure , smooth skin around 34C breasts , would be much nicer if she lost some excess weight around her midriff.

### The Story:

Susanna greeted me and seemed quite cute and attractive and although a 'little' porky i agreed on just a blow job for ?22.

Susanna re-entered the room and played with my already hard cock a little with her soft tender hands before applyng the rubber then knelt over me and began sucking. After a short while i began guiding her head with a firm hand on the back of her head trying to encourage a little more depth with a small amount of success. This carried on for quite a while , also intermittently sitting up and giving more soft hand relief while she 'gazed' at my cock looking sexy with a cute round red face as the room was very warm. Eventually gave her a helping hand wanking myself into her mouth and finally as i orgasmed pushing her head a little deeper until ever drop had been extracted feeling the veins in my cock pulsating against her tongue as the condom filled with cum.

Recommended as although not the friendliest or most attractive around her performance was a good 6 out of 10 and definitely young attractive - if you saw her in a bar you would almost certainly fancy fucking her. May return for this reason although as i have said before there are many so many other regulars and a string of newcomers of quality to soho that probably not.
