The Premises:

Very discreet and smart apartment a few minutes from town centre. Nice area and felt totally safe.

The Lady:

Lovely brunette with firm body, shapely in all the right places. Beautiful face, full lips and very sexy smile. Well spoken, intelligent, tremendous personality, terrific sense of humour and great fun to be with.

The Story:

First time that I've seen Kitty (won't be the last!) but it was like we were old friends after just a few minutes. Wonderful deep OWO, followed by me returning the favour, which I think she enjoyed as much as me, well nearly. Then it was back to OWO on me - I was tempted to just lie back and let Kitty finish me orally - oh those sensuous, smiling eyes looking up at me as she deep throated me - but I managed to hold on so, on with the condom, then finish in the missionary position. Surprised that I lasted as long as I did after such a wonderful blowjob.

Absolutely no rushing or clock watching and Kitty cleaned me up before I headed off into the hot afternoon sun with a big smile on my face (which I still have 4 hours later). This was a wonderpunt and I'm already planning my next meeting with the vivacious Kitty.
