The Premises:

The is Tianas new location about a 5 minute walk from the previous flat. Still on London road so very easy to find. Discrete rear access.

Very spacious apartment - I was given the full tour!. Well presented, just some finishing touches such as 'pole' to be fitted. haha

The Lady:

Well one of my all time favourites babes isnt available (check my report for Tiana 95359). So on Tianas advice I saw Taylor.

Taylor is a mature brunette, with blonde highlights. Around 5'5', 10, and a 32 GG!. My hands arent big enough!.

The Story:

Spent a good 30 minutes or so just chatting to me good friend Tiana. That is typical of Tiana, she loves to make you feel welcome and ensures you always enjoy yourself.

I think Taylor was getting bored with our chatting, so we went into the pink room!.

Taylor is a lovely lady, and I recieved such a sensitive massage that I almost fell asleep!. No fear of that with Taylor. Flipped over and a gentle massage continued before moving lower. Then the fun began!. I dont do detail much any more, so you will have to find out for yourself guys. However as Tiana runs the show you will be pleased - I promise you that.

Apparently website is due shortly, and other girls are available daily. I didnt see them so I cant comment on looks etc. However as above Tiana knows her stuff so you be dissapointed.

Derby is normally a bit poor, but this may be a turning point - work it Tiana!
