The Premises:

As my previous reports (97844 and 98038). An unassuming house on a residential street in lower Sydenham. The room is small, but of a very good standard with music playing softly and a screen mounted high showing the usual type of video. Maids are friendly and hospitable. One girl each day.

The Lady:

Maya is a curvaceous Brazilian girl in her twenties who is part oriental which you can see in her facial features. Full figured with an ample bosom, she is friendly, cheerful and accomodating. It seems she has taken over from the previous incumbent on Sundays. Maya is not featured on the website at the time of writing.

The Story:

Once details had been sorted we started with cuddles and caresses. She cuddles like a girlfriend, ie as though she means it and shares her body in an easy-going manner. Then once we were fully disrobed, onto the bed for more. Paying playful attention to the old chap.

A short agreeable session of OW followed then she mounted for a slow introduction of the honourable member. Then a session of (what seemed to be) mutually enjoyable missionary with plenty of kisses and caresses. She made love to me really. It was a GFE. Once I'd concluded, she held and kissed me for some time, not expelling me in the peremptory manner commonly experienced. Some cleanup and an expert massage took us considerably over the half hour. Only the knock caused her to hurry me along.

Thank you Maya. That was really a treat. I very much appreciate the extra consideration and indulgence I was shown.
