The Premises:

Tiny room in flat on Swinton Street, clean though and quite modern.

The Lady:

Beautiful 19yr old brunette Polish girl, size 8 and like one of the girls you might see posing soft core on the net.

The Story:

Stunning girl, sweet and gentle - enjoyed DFK to begin while gently rubbing lube into her pussy. After 10 minutes she whispered "fuck me" - I rubbed my extremely hard cock across her wet pussy and then asked her to climb on top to continue rubbing herself on me. This was extremely erotic; Keisha then proceeded to give some quite deep, skilled OWO, before I asked if I could fuck her. She brought my cock to her willing cunt and I entered just an inch, she was extraordinarily tight and within a couple of minutes I had gushed into her. An outstanding experience with an amazing girl, but not one I fear I can repeat as upon a return visit 2 weeks later my Keisha had been replaced with a reasonably attractive but overweight size 12 girl. I made my excuses and left.
