### The Premises:

Clean, discreet with simple door entry access - safe neighbourhood. Good Shower + selection of gels, which I utilised before and after.

### The Lady:

Website gives accurate idea - on short side, maybe about 5"1'. Aussie/NZ sounding - all fit and prim, curves in the right area.

### The Story:

Went for a rub and tug, this lady does not offer full service, website is pretty clear. Tantric was offered and gratefully accepted. The oil massage was so good I must have snoozed off half a dozen times. The massage really hit the parts that needed it the most. Tantric stimulation was good and the compulsory take off was satisfying. Terrific value - she kept tasteful lingerie on, only ?20 more for topless, not sure if B2B is on offer, but not really my thing.

A service I will certainly repeat, but with 1 caution - I could not stay awake at home beyond 8pm, so will need to work round this.
