The Premises:

Top floor flat on Vauxhall Bridge Road near Victoria. Shower and clean towels. Nice bed with mirrored wardrobe at the end. Quite a nice flat and it felt safe.

The Lady:

Pretty dark eyed girl in mid 20's. Smallish breasts with responsive nipples. Not shaven - but not a great hairy bush - just some soft hair.

Longish dark hair, and olive skin. Nice pert bum and soft firm thighs. About 5'4" tall.

The Story:

I had come to see Ana (see other reports) who advertises on the other side. This person was not the same as Ana's pics.

I had also come to see Ana because her summary said she did rimming and liked being spanked. Imagine my discomfort when I discovered that Sophie did neither. However, having come down to have sex, and being all hot and bothered I decided to go ahead and went off and had a shower..

She was good. Excellent blow job, deep throating and wagging my cock in her mouth, she seemed to be very into the whole thing. I asked if I could go down on her but she said that she preferred to suck my cock. we then got into a long wanking session, and I think she was trying to get me to come and get shot of me.

However, I stuck to my task and we then got into a long fucking session, starting with cowgirl, watching my cock going in and out of her pussy in the mirror which was excellent. After some vigorous fucking she asked if I had had come, but I had to disappoint her. Next we went into doggy which she seemed to enjoy by the sound of it and then went into mish.

In the end I asked to wank me off which she did expertly and I had a sumptuous orgasm lying on my back.

This was a good session and we ran way over time. She was a stunner and I was to ask for Sophie next time. There must be several girls operating from the flat.
