The Lady:

Thirty something small Singapore lady. Nice body with small but natural tits. Soft olive skin. Long dark hair.

The Story:

Once in the room we got our kit off and started snogging. Nice wet open mouth kisses - a real GFE. I worked my way down to give those tits and nipples a good licking. As I went further down Suki laid back on the bed and I tongued her sweet pussy, flicking her clit with the tip of my tongue. As I laid beside her more DFK whilst I finger-fucked her. She eased her body up and rubbed her fanny against my stiff cock. I almost entered her bareback! She reached for a condom to give me head. I asked for OWO which was ?10 extra to the ?60 I had paid for half an hour. WOW, one of the best blow jobs I have ever had. She took the whole of my shaft deep throat, teased the tip of my dick with her tongue and sucked my balls. She then settled into a rhythm working my cock and giving me lots of eye contact. I was polite enough to tell her that I was about to cum and promptly shot my load.
