The Premises:

Typical soho walkup, reasonably clean and tidy. nice sized bedroom with double bed , uniforms and a large mirror on one wall to the side of the bed.

The Lady:

Young romanian brunnette girl 23years old around 5'3" tall with a nice curvy figure size 10, could tone up a little but still reasonably firm due to her young age, very large soft breasts and quite attractive friendly face.

The Story:

Found this place for the first time on my way to soho for a shag after a few beers watching brazil v holland during the afternoon. Carla a slim brazilian girl was on the first floor but chose Mia on the top floor for her enormous mammaries and friendly disposition.

Mia greeted me in a thong covered by a very short see-through flimsy skirt and a bra big enough to hold two tennis bowling balls.

Paid £22 for sex only.

Mia re-appeared and quickly undressed and laid flat on her back waiting while i removed the rest of my clothes. I joined her on the bed and knelt between her legs as she applied the condom jiggling her breasts around while she gave me some tender hand relief until my cock stood up proudly in front of her ready to gore her young flesh.

Slowly i eased my cock into her pussy and while holding my body above hers looking into her eyes fucked her with long slow smooth strokes her little legs spread high and wide , her soft breasts lying across her chest and falling off the sides like a couple of large water balloons occasionally glancing across to the mirror on the side wall for a different view of the action, while Mia moaned softly throughout.

After the beers was in need of speeding up the action so lowered my body on top of hers positioning my head close to hers and hand around her waist then began pumping her with shorter quicker strokes watching my bum in the mirror as we moved together bouncing around on the very soft springy bed her soft breasts bouncing around as her little legs moving randomly as if she was bull riding.

As the moment approached i pounded her harder and harder until my cock exploded inside her nicely tight young pussy taking my time to enjoy the moment eventually freeing her body from my

vice like grip.

As we dressed and cleaned up Mia stayed in the room and chated a little until i was ready to leave. Recomendated for a friendly girl with large soft breasts (her best feature), was a little quick to get into the action and maybe a little mechancial for my liking but i would bet she would give a better service if more time and money was spent. However there are many girls who will provide top class services for the basic fees so with this in mind may not return.
