### The Premises:

access via a grotty stairway to the first floor over a large restaurant. was shown into a small kitchen and asked to wait. place was clean but a bit scruffy. i had visited the place before and was very satisfied with the lady i saw then, before i started submitting field reports.

### The Lady:

this girl was the only lady available. this lady spoke no English, she was short, about 5' 2" dark hair and a slender figure

### The Story:

very disappointed with the experience. no massage. no kissing. obviously not engaged with the activity. straight to CBJ even though the web-site said OWO for ?60. that evening was hot and sticky and so i took my time, even so with a variety of positions it was all over in 20 mins
