The Premises:

Nice, safe area of Nottingham, easy to find after being given directions, after booking confirmed. Mistress Roxie has put alot of effort into producing a clean, well decorate, very well set out dungeon.

The Lady:

On Mistress Roxie's website gallery, she is only shown wearing various masks, but to see her in the flesh unmasked is a real eye opener. Mistress has a BEAUTIFUL porcelain complexion, long dark red hair and a body to die for.

The Story:

Mistress Roxie is a true PRO-DOMINATRIX, so no sex is on offer, but that does not mean she cant offer you true a breathtaking experience. This was my second session at Mistresses dungeon and from my experiences no two sessions are the same. She started out by forcing me to strip, then forced me to kneel blindfolded and hand cuffed, whilst she changed into a lovely short leather dress. From the moment she re-enters the room the the atmosphere is electric, if its not humiliation (including small dick), its being streched on Mistresses unique St Andrews cross or being bent over and beaten by various canes and whips on the backside or it was cock, ball and nipple torture including pegs, weights, wax or electrics. Her final method of humiliation was to drag me to the bathroom next door where she spat and pissed on me whilst ordering me to masturbate until i came. BEST DOMINATRIX IN THE EAST MIDLANDS? No doubt about it in my mind. Cant wait for the next session, see you soon Mistress. x
