The Premises:

Modern apartment block on Praed St short walk from Paddington. Totally safe. Very clean and tidy. Small brightly-lit bedroom with a decent bed. Excellent bathroom and shower. Like a five star hotel. Place is shared with another escort.

The Lady:

Tall - 6'1" she told me and has been reported previously. Don't know why her web page says 5'9". But that's one of the reasons I chose her. Her pictures are somewhat better than reality - her skin isn't that perfect. However, she's not disappointing by any means. Blonde dyed brunette. Lovely natural voluptuous breasts. Great curves, all good. Tattoo on lower back.

The Story:

Lovely girl. Broke the ice telling her what I knew about her from previous reports. Surprised her. Bit of a chat. She's a student of criminal psychology working her way through uni. Her English is very good although she's only been in London for 9 months.

I'm a go slow kinda guy. Thoroughly enjoyed lots of superb kissing and breast play. Some fine OWO, 69, followed by sex in a few positions. She suggested the changes. She's quite ticklish - feet, neck, ears. Funny. No anal and no fingers inside her pussy.

Tried to extend my time with her but she had another appointment. With only 8 minutes left, she got me hard with more OWO and we went a little overtime but I couldn't climax. Great effort. Easy to recommend her. My only wish would be that she was more tactile and touchy.

Hey Helen, if you read this, I didn't care much for that CD either.
