The Lady:

I hadn't seen her for at least two years, last time at LR and before that The Bunny Lounge.

I know she has some Asian blood in her but she is really is a very pretty looking lady with a fantastic boob job which gives her a killer bod!

The Story:

For me it was a bit of face worship followed Lisa tying me to the cross and me taking her doggy. What a great ass! I have a home made cock ring which involves trying a piece of string round the base of my cock to give it a rock hard feel and boy was I hard today! Next she made me fuck her cow girl on the bed and then we finished in mish. Fabulous!

She's a special girl with a great attitude xx
