The Story:

I Dont know if my feedback on Kendra could ever do her justice ,
ok she a North East Woman & god do i mean woman everything a woman should be & omg killer pornstar looks! but in no way big headed !
she asked first if i wanted heels on off & if want str8 into it of a massage, i went for heels off & a nice massage !

after not to long i turned over & Kendra had no problem starting with some kissing & body to body GFE, again she seemed to enjoy kissing, i then had to lick her boobs body & OMG The sweetest pussy.

she then returned the favour while sucking along with a hj i think i saw a smile on not just my face but hers to,

we then kissed & got body to body were she then place a condom on me, i got on top of her & slide my cock inside her trust me when i say her pussy is tight & wet it felt so very very real the sex between us, not like a punt at all.

im 169% sold on this woman, am hoping she comes back to Bury soon & i'll 269% be seeing her

again & next time booking longer!
