### The Premises:

Luxury apartment just opposite the Natural History Museum. Minutes walk from Sth Ken tube. Very discrete. Only thing that could be improved are the mattresses as they are too soft for great f\*cking.

### The Lady:

Pretty brunette about 5'5". Saucy girl next door looks with a twinkle in her eye. Curvy, natural figure more a 14 than the 12 quoted on the site.

### The Story:

Having recently discovered this establishment I've done my best to sample as many of the lovelies on offer as possible. Amy the receptionist is a seductively-voiced doll who I wish was also inclined to offer services.

For the most part I've been underwhelmed by my experiences as they have not lived up to the reviews by others on this site. BUT with 2 exceptions and they are both with the lovelies currently working on Thursdays.

Shannon (formerly known as Rachel) greeted me with a smile as I emerged from the shower and proceeded to get my motor running with a French snog whilst still standing. We soon moved to the bed to continue and she released her lovely boobs from her corset before going down on me OWO... O WOW! She's not shy of taking it all in for a little gagging and deep throat.

Next I went down on her and brought her off with fingers which surprised her to breathlessness. I resumed my tonguing and fingering which eventually brought her off again. To which she admitted didn't happen often. We snogged some more before slipping on some protection and enjoying a jolly good bout of missionary. She rolled her hips up to give me deeper access and held her legs high and wide. Sadly I couldn't quite last as she gasped she was coming but she graciously snogged me anyway as we cooled down.

She only reminded me we hadn't settled the formalities as I headed for the shower.

A delightful quickie with a super lass.

My only regret is that I prefer my belles size 8 although I'm likely to make an exception for Shannon. Gents if you fancy a bit of pash with an English yummy mummy then you should consider some fun with Shannon.
