The Premises:

Place has easy access to central London underground station and is quiet. Apartment easy to find..called up the lady receptionist and the process was easy. I was there in 30 mins.

The Lady:

Amani looked sexy and presentable. This was my first time here, so I had not requested a dress preference. I would have preferred ethnics but no complaints. Slightly short but chubby in all the right areas.

The Story:

Started off with a massage to get comfortable. No music, just the way I liked it. I flipped over and the fun started with a nice long BJ. The girl knows what she's doing! I played with her parts and she seemed to enjoy every minute of the play.

After that we moved onto my favorite doggie style and went on for another 10 minutes before I came. She tried to make me do it a second time but I was not too upto it that day... not her fault.

We spent a little bit of time chatting up and it was fun. I'd definitely try her again.
