The Premises:

Her flat is situated off a main road, in the basement - safe area. Her bell doesn't work so a mobile phone is essential to gain entry even though she text me several times to check I was on my way! Inside, her room is clean and functional - however the toilet was dirty - the cistern flush was broken

The Lady:

Nikole is an EE girl with a very good figure, nice pert breasts

The Story:

BEWARE - some of the services advertised as being included suddenly attracted a premium - I am very clean, always shower and ensure my breath is clean and fresh yet her breath was bad, she wanted ?20 extra for each of kissing, OWO, etc. On the plus points, she is fit, has nice breasts, was keen to ride me so her breasts were tantalisingly close to my face and she clearly enjoyed doggy and missionary.

After a poor start marred by trying to extract as much out of me as possible yet settling for the advertised amount, it was an ok time.
