The Premises:

Luxury studio flat, 10 minute stroll from South Kensington tube. Immaculate, tidy, safe. Very safe. Kensington says it all. Probably best not to give any more details about the location - suspect it changes from time to time anyway.

The Lady:

Her photos and details on the website do indeed accurately portray the lady. Absolutely lovely.

The Story:

WOW!!!

If there's better - please advise.

Charming, attentive, passionate, sexy ... I could go on and on. The lovely experience even continued after the conclusion of festivities, so to speak. No hurry, no rush - I suspect I could have stayed a bit longer and had a bit more wine. Actually, I brought wine with me - but she had some already.

As regards, activities, GFE, OWO, CIM. All amazing.

The only negative - if you are longing for a fluent, wide ranging conversation about the ways of the world - then I would have to say that Flora is not your girl. Her English is pretty basic (I guess she's doing courses and will improve in time) but frankly - that's not why we're here, folks!

And as to the 'why we're here' - the girl's 11/10. I will be back.
