The Premises:

Very neat & tidy flat, parking right outside. Absolutely safe & secure.

The Lady:

Very slim lady with beautifully long hair. Delicate features and very, very pretty. Very sexily dressed, pictures on website do not do her justice.

The Story:

Foxy is very friendly, hugely accomplished and enormous fun. She puts you at your ease in a moment and within seconds it's pretty much like you're old friends catching up - if your idea of catching up with friends is sticking your tongue down each others throats and easing their clothes off.

I find it hard to believe that Foxy would not bring out the best in the most withdrawn and recalcitrant punters.

Anyway, the 30 minutes disappeared in a flash, in fact we went a bit over. We were both sweating by the end, and looking rather pleased with ourselves - it has to be dirty to be that good.

Foxy is like the girlfriend or wife you never had - she's a beauty, she's friendly and funny, she's filthy but she's always a lady.

Beat that!
