The Premises:

Jodi's flat was very tidy and clean. It was on a very busy main street and as such was extremely safe. Being very near a central London main line terminus there was no risk of me looking like I was a lost tourist or someone who looked liked they had taken a wrong turning.

Jodi's flat is on the top floor, so you will have a lot of stairs to climb. But this is still a safe environment and the reward at the top is well worth it! Consider it a Stairway To Heaven!

The Lady:

A gorgeous lady! Maybe around 5ft 8 ins tall, light brown hair, quite curly (that's the hair on her head guys, her pubes are nicely trimmed and bordering on the Brazilian).

In he mid thirties, Jodi's breasts are ample and firm. And she has a lovely arse.

The Story:

Jodi's oral skills are first class! And she made sure that everything was geared to my pleasure. She gave me a nice massage, but not too long. Quickly she moved on to teasing me with her breasts on my back and bottom and then, before I knew it, she was rimming me in a very erotic fashion.

With me lying on my stomach, being pampered, Jodi laid herself on my back and started to tongue my ears. Man! This blew my mind and got my cock rock hard!

Then Jodi began to suck my cock. I played with her pussy while she took me down her throat. It was a wonderful orgasm and she swallowed every last drop!

A lot of kissing and playing followed, before I took my leave. A smashing lady and first class woman!
