The Premises:

a clean nice house on a quiet cul-de-sac, with parking right outside

The Lady:

dark haired, well toned, size 12 mature lady (mid 50s) with fairly large boobs - 34DD.

The Story:

As requested she was dressed very tartily - heavy makeup, large costume jewellery, tarty underwear, fishnet stockings & high heels. However the clothes except the stockings & high heels were soon discarded. She gave a GFE with OWO, lots of kissing, reverse oral & finished by riding me & presenting her tits for sucking. In the main a good punt, but had better. I may be wrong but I felt she was extending the first go as she didn't want to allow a second go?
