The Premises:

Nice 1st floor flat on main road. Fairly discreet entrance and totally safe. Parking free at golf club car park opposite.

The Lady:

Described as 40 on website but probably a little older. About 5ft 6" in height with long dark hair and nice shapely legs. Busty at about 38D but tits have seen better days and are a little saggy. Has a nice shapely arse. Fairly attractive but by no means drop dead gorgeous. Nicely spoken and friendly.

The Story:

Had a shower on arrival to freshen up. Amy wore a sort of uniform which was quickly removed to reveal a bra and hold ups. This was a disappointment as I had specifically requested stockings and suspenders. I was also disappointed to learn that OWO was not on the menu, but I cannot blame Amy for this as I should have asked about this before making the booking.

Services provided were a very short massage, oral with, sex in doggy and missionary, and HR. I found Amy's technique very mechanical and the experience was nowhere near either a GFE or PSE. I asked her to talk dirty which she did, but this was also done in an almost robotic manner. I'm afraid that I did not find Amy horny at all, and would have been better off both financially and sexually by watching a porno DVD! Sorry Amy but I'm being honest and she just didn't do it for me. Very poor value for money.
