The Story:

First visit to Brooklyn's, dropped in on the off-chance & was told Astrid was free & did I want to meet her, yes I did & was not disappointed.

This visit was actually a birthday treat paid for by my girlfriend who's always fantasising about me fucking another girl, she was parked outside waiting for a blow-by-blow account.

Started off with a massage, offered talc, oil or tits & hands, went for the latter, followed by an EXCELLENT blow job with plenty of eye contact. Sex in three different positions with me finishing off in doggy style while admiring that lovely little arse.

Very sexy, friendly girl with a great sense of humour, only my seconded ever punt but made to feel very relaxed (apart from one part of my anatomy!) right from the start.

And Astrid, if you read this, my prediction was right. My girlfriend and I couldn't wait till we got home, we had to pull into a quiet field gateway & get each other off. Many thanks from both of us!
