The Lady:

Dark haired Brazilian girl 5'8 photos are genuine

The Story:

Charged an extra ?80 for OWO and FK and all I got was a few pecks and she never even put me in her mouth because she was squeamish of me ejaculating anywhere near her. Engaged in doggie and missionary sex for about 10-15 minutes before she became impatient that I still hadn't finished.

All in all she stayed for about half an hour and I ended up having to get myself off with her standing behind me which made the whole thing seem pointless. Considering the extra ammount I paid I expected a much better service and feel like I wasted my money.
