### The Story:

My second visit to Helen today!Had such a good time lunchtime that I just had to see her again & this would be my only opportunity for a week.Lots of really enthusiastic and very sexy fk,hand inside my boxers,i was already stiff with anticipation of the delights to come,both soon naked and more kissing on the large but very squeaky bed.Laid Helen back and spread those long legs wide to reveal a delightful shaven pussy.Extended licking until Helen demanded that some fingers were inserted,she gets really wet and seemed to enjoy my efforts.For the second time today a spectacular bbbj,much ball licking & running her tongue over my shaft,devouring my cock with gusto,more kissing and on with the rubber as Helen climbed on board and fucked me senseless.Helen is also funny,intelligent and good company.Will return to sample her cim on my next visit.
