The Premises:

Terraced house on non-descript road in Walthamstow. Decent room. Bathroom is downstairs. Shared with two other WGs (one of whom looked quite interesting ...)

The Lady:

A real star. Pix on her profile are accurate, indeed she is if anything better looking in real life. A very pretty slim blonde girl. About 5'6", slim hips, small but very pert breasts. She says she is 22 y.o. but looks less.

The Story:

Moniq is a student from Hungary. A quiet girl with a nice smile. She isn't particularly responsive so if you are looking for fake moaning then look elsewhere. But what you get is genuine. I paid for a variety of extra services, but her prices start from only ?59 for 30 minutes, which is excellent value. She could definitely become addictive.
