The Premises:

New Thai house is clean and welcoming, however you have to be a bit sneaky to get in without being noticed, especially when there are Party's on at 2 places next to it! but the rest of the time it would be very easy to walk in unnoticed - This place is a Massage Parlour with benefits, not a knocking shop like others

The Lady:

Petite, with small breasts but a Very Nice firm body, wicked smile and a mischievous twinkle in her eye! However i could have got her name wrong and if i have, i'm really really sorry!!

The Story:

I've been here before and after the disappointment on my earlier punt at another establishment i went where i knew.

Opted for 45 min massage with a happy ending and Jasmin did not disappoint, nice firm massage with lots of flirty comments which hit the spot then finished off with some very very special HR, so special that i came rather quickly with 15 minutes still to go but, instead of being rushed out of the door like other places she offered me a shower and then set about giving me the most incredible foot massage i've ever had!!
