Details of Service Provider:

The Premises:

the venue has had mooney spent on it, the entrance & stairway have been cleaned & repaired (evan the front door). the room (top floor) is one of the brightest & cleanest in soho & is well laod out. though the mirrors are in the wrong position for the bed. the only down side is the entrance is in a very prominent position & there were a group of sads outside a pub opposite being stupid.

The Lady:

amanda is 5'7" slim & muscular, about mid to late twenties, black hair with small boobs (well covered throughout) of east euro (or evan turkish?) origin.

The Story:

straight down to business, not one for a chat, but willing. good blow job first, then into good mish, more blow job & cowgirl (succeeded in the squat possition without causing pain, which no other WG had managed with me). all to the pounding disco beat from the pub opposite. wish i could have stayed longer.
