The Premises:

A very nice house in a very smart street. Clean, well decorated and well furnished.

The Lady:

Chloe has a delightful, curvy figure, as portrayed on the HoD website but is much prettier than she appears there, with a sparkle in her eyes and a lovely smile.

The Story:

Having read many of Chloe's posts on the PNMB and chat room and discussed whether a regular poster should identify himself at the beginning, the end or not at all, I decided not to do so until the end of my visit. I had a great time, as I knew I would from all her good FRs, starting with a shower in which she washed my back, and involving lots of excellent oral by her and apparently not bad by me either, judging from the appreciative reactions, and ending with an extended bout of doggie and finally mish. As we cuddled afterwards I asked a question that showed I had been in chat a couple of days earlier and we had a good laugh while she tried to work out which one I was. I eventually came out of the bushes (not hers - she is clean shaven) and was quickly forgiven for the disagreement we had had on a recent thread. Altogether a most enjoyable encounter which I shall look forward to repeating.
