The Premises:

Very clean and very safe, and as is known with HoD it is of course a nice area.

The Lady:

Absolutely stunning! I was blown away when I saw here, and that was after I looked at the images on the website.

The Story:

I found this site only recently, and my only previous punts (2) were from phone box numbers (one decent lady, on terrible). After scouring the PN boards I saw that HoD has a good reputation and went for it.

Phone call was simple and easy, and it looks like I was lucky in the booking as I only called a few hours before the visit. Also, the lady on the phones was nice after I had to call twice as I could not see the location on G-Maps.

Onto the actual punt itself, I offered me water and as it was very hot that day I of course accepted. A short while later lead into the room and Sally came in and was greeted with a kiss. Paperwork was sorted and on her return I was already rock hard. She gave me a massage and kissed (not french) and I sucked her tits in stages. She moved onto OWO which was amazing. Rode her cowgirl for a while then she offered to go doggie. I struggled to get rhythm with that and so went back to cowgirl. She finished me off with two hands and then we chatted for a bit.

Sally was very welcoming towards me and I felt at ease from the moment I walked through the main door and the bedroom door.

Only small small small gripe was that when I left I saw the time was 25 past 1. I didn't mind that thought as the punt was brilliant, and it actually felt like a lot longer. HoD will definitely be getting business from me, and next time I shall book sally for at least an hour.
