### The Premises:

Flat in Holloway, off Holloway Road, quiet residential street.

### The Lady:

Tall blonde Scandinavian, curves in all the right places, great body all in all. Lovely legs and beautiful alabaster skin. Looked fantastic in high heels, short skirt and stockings, very very sexy! Great personality and very warm.

### The Story:

I have been thinking about booking Malene for a while now, and boy am I glad I did! From start to finish she was wonderful, DFK as soon as I arrived soon got me in the mood and it wasn't long before her short skirt and top were on the floor and I was exploring her lovely body. She has a great personality and made me feel like I was in the arms of a girlfriend. She is extremely adept at all things sexual, BBBJ is an absolute delight and she responds very nicely to being touched and especially liked DATY which I couldn't get enough of with her. Had two very raunchy sex sessions both of which ended in absolutely huge climaxes and us both ending up completely breathless. I really wish I booked a longer appointment because I think she would be good for longer bookings, I'm sure I could have gone again but time was up! I will definitely be back!
