The Premises:

Clean. Easy to find on a busy road. Room was nice and tidy and showers worked well. Receptionist was also very friendly.

The Lady:

India is a stunning Indian lady with curves in all the right places. The web site pictures make her look far more chubbier than she actually is. She has a perfect round chubby arse that you can play with all day. Breasts are enhanced but done well and she is also very pretty.

The Story:

India is very friendly and chatty and loves to put you at ease if you're the nervous type. She offered me a massage and asked me to roll over on my front . She provided an extremely sexy massage rubbing my back with her ample busom and giving my balls a quick tease every now and again. I then offered to give her a massage which she gladly accepted. It also gives me the opportunity to explore her wonderful body with my hands and tongue. I then went down on her lovely pussy and arse for some expert rimming. She tasted heavenly. She also loves to kiss. I then asked India to give me owo which she performed excellently taking me balls deep into her mouth. I then finished off doggy style watching myself pumping that beautiful pussy in the side mirror. She does offer watersports which I may go for next time. Shame no A levels are offered as that arse is heavenly. Fantastic punt. Thanks India.
