The Premises:

Clean and very professional set up. Maid friendly and welcoming. Very pleasant room.

The Lady:

Previous FR's suggested she is a stunner and I was not to be disappointed. Breathtakingly beautiful with the perfect figure.

(Check out the photos on the website to see what I mean!!)

The Story:

On the strength of previous reports I ventured 40 Miles up the M1 and A6.

My previous encounters with ebony girls have usually been a let down but hoped this would turn out to be different.

My journey was not to be in vain as this was an excellent encounter. Anita is a sheer delight. Very friendly and warm with a desire to ensure her paying partner is having a good time.

Plenty of Kissing followed by a vigorous bout of reverse oral. She definitely has one of the best-looking pussies I have ever seen!!

On with the condom then straight into missionary where I hammered away whilst kissing and admiring her exquisite facial features.

Orgasm followed soon after!

I would recommend this young lady to everyone and if, like me, you are particularly attracted to black ladies then it would seem particularly amiss not to sample her wares!
