The Premises:

An immaculate appartment in the centre of York used by different girls. Maid service who is an attractive young lady who ensures the cleanliness of the flat. Not only did I feel safe but I had previously viewed a flat in the same block for a home some 4 years ago.

The Lady:

On first sight, I just went 'wow! Size 10+. Georgeous figure with natural large breasts but bear in mind she has a young child so do not expect them to be perky. It was nice not to be met with artificial footballs. Her face is not shown in the photos but I was not disappointed as it was very attractive. Aged 21 and a delightful mixed race girl.

The Story:

My age places restrictions on my ability and I was happy to accept oral with, lots of cuddles and touching. The highlight was to be given my first spanking which at my encouragement became quite vigorous. Whilst doing this, she kept her left hand between my legs and holding my cock. What a treat. To finish me off, I turned over and had another cuddle and kiss while she wanked me off. So much better than a 69 in my opinion when the girl has a beautiful face. It was a great unhurried hour with a girl that will be remembered. Her plan is to be available in York on Fridays and Sundays. Street Parking is available outside the flat or there is a public car park behind. On a personal note, I have preferred girls to be a size 8 but the last two girls have been a little bigger and both were most enjoyable.
