The Lady:

Four girls partying today. Melon's Marie, two Portuguese girls, Karina and another, and last but not least swinger Diane.

The Story:

A very pleasant afternoon with a reasonable girl/punter ratio. Towards the end of the party I was sitting in the lounge with a virtually naked Melons on one side and a half naked Diane on the other. Just as both were about to accompany me upstairs my generous nature prevailed and I offered Melons to another punter.

I had started off the afternoon with Melons and her two impressive assets and found her very friendly and accommodating. Melons sometimes features on 40+ adult cable/sat TV, but she is much better in the flesh!.

I then had sessions with one of the Brazilian girls and also with the insatiable Diane.

I have since been back for an evening party, but the girl/punter ratio was a lot higher and despite a very good session with Pam herself, the rest of the evening was a little bit of a disappointment.

However, at ?60 for four hours, these parties are amazing value.
