The Premises:

Parlour off a side street in an alleyway nice and clean.

The Lady:

Brunette about 5ft 3in in height with a size 8-10 figure and a 32E in bust. This lady is very good looking with a nice smile and cheerful. Quite surprised to find another stunner around these parts especially at this parlour where the girls tend to be just average looking.

The Story:

A very good service provided by this lady and accomodating. This was a no rush service and will be definetly going back to see her.

P.S. This lady used to work at Sandys Superstars in Manchester which I suppose explains the the good looks and figure.
