The Premises:

As reported elsewhere, above shops not very discreet but parking in stores nearby.

The Lady:

Extremely cute tiny little package with blonde hair and pert little bum and titties!

The Story:

Opted for the 1hr Soap Suds (60) with full services as well (40).

Nice oily relaxing massage to start moving onto the Soap Suds which massage which was amazing, really sensual, not something I've done before but would certainly recommend if you have the time and money.

Lots of fun/playing which was fabulous, just a shame no kissing for a real GFE.

Oral during was fun.

Shagging was a little difficult on the massage table but Heather had a good mish position which allowed for a good/deep shag.

Asked if I could cum over tits and she said yes so I pulled out and then jerked over those tiny titties.

Awesome fun, awesome girl and awesome punt - thanks Heather and Soft Touch
