The Premises:

Hotel in central London. Usual rabbit warren of corridors, and alas a bed not made for a threesome

The Lady:

Amanda is beautifully constructed; tall and well-proportioned with soft straight long light brown hair and some lovely drop dead gorgeous deep eyes.

The Story:

I booked this liaison with Amanda, on the proviso that Laura was also available for a three some. She was available so I booked myself yet another threesome.

I was their first booking on this tour, and so started slightly late. No problem usual texts to keep me informed of progress, and time for me to finish of my drink in a nearby Fullers pub. Gently knocked on the door and was greeted by two gorgeous and delectable women. Quick shower by me to freshen up and then the fun and games started.

Lovely oral from both Laura and Amanda, while one was attending to my lower regions, the other was providing some sensuous kissing. I was treated to show by Amanda as she pleased Laura, and then it was my turn to bring Amanda to her climax with my tongue. The taste, the texture the feel of her pussy on my tongue and lips, so sensuous.

Suffice to say I made love to both of these women, they made love to each other and they to me. What a threesome, and what a lovely introduction to Amanda. A pity she is so far away.

I booked this as a threesome, to meet two wonderful women. I have entertained Laura on her own before, and I would love to take Amanda out on her own as well. So given a chance I will.
