The Story:

Harriet was running a few minutes late but she did text me to let me know. I was greeted at the door with a lovely smile and she wore only the skimpiest of knickers and Camisole. Harriet left nothing to the imagination, got the money out of the way and had a chat and a cup of coffee before heading off to the bedroom.

A deep massage with baby oil followed by heavy kissing while we explored each others bodies. Slow sensuous OWO followed, but I had to slow Harriet down (didn't want to finish too early). On with the top coat and the view of Harriet riding in reverse cowgirl position was too much. It was then my turn to give her oral. Harriet really does love receiving oral, she used a toy on herself at the same time, she came in several shudders with her back arched so high I thought my head would hit the bedroom ceiling. Harriet says she never fakes an orgasm and believe me she didn't.
