The Premises:

Shared flat off the Fulham Road, towards the bottom end. A bit of a walk from the tube. Better to take a bus. Smart once inside with a good shower.

The Lady:

Photographs are broadly accurate. Slim quite good looking scandinavian type blonde (actually from the Baltic) with small breasts and a very athletic body. Hard to tell her age, but my guess would be early/mid 20s.

The Story:

A very vanilla service. No FK and everything is covered, though reverse oral was on offer. Efficient rather than intimate. I imagine Sofia would be very good at nurse/patient role play. Good English so no communication problems. A very acceptable punt.
