The Premises:

She has a nice apartment just off the high street, normal quiet suburban street 30 seconds from Colliers Wood Tube station.

The Lady:

pretty, sexy eye's, dyed blonde, eastern european with good English. Slim great figure with nice enhanced tits (D cup).

The Story:

Nice girl, dressed as requested in a nice dress and stockings. Started with french kissing, then moved onto bed where she gave excellent OWO, good technique with lots of saliva, cum was ?20 extra so decided to have sex instead. On with the rubber for a really nice sweaty shag. Finished with a really nice massage and some more kissing, she started to wank me off again after the massage but I had to leave to be somewhere else otherwise I would have stayed for round 2. Definitely worth ?100 for an hour, I will be back.
