The Premises:

On the main high road but not overlooked and quite discrete, door always open so no hanging around on the pavement.

There is a free car park opposite so no worries over parking.

Place is nice and tidy & clean. Maid answered the door with a smile - always a good start.

The Lady:

Charlie is a BBW (Big Beautiful Woman) - if you are into large ladies then she won't dissappoint. She is very pretty with a nice pair of breasts that respond well to attention. Her main assets are a lovely big tummy and bum. Each time I have met her she has been clean shaven and tastes divine.

I have just discovered that she is also a qualified masseuse and the establishment is all set up for that as well.

The Story:

I have seen Charlie before at other establishemnts and always have a great time with her, she is humourous but with that glint of power in her eyes.

Treat her well and I am sure you will come away happy - I always do :)
