### The Premises:

Basement flat. Nice and fit for purpose.

### The Lady:

Hot Blonde babe, early 20s with body to die for. Speaks fluent English. Nice and firm natural boobs.

### The Story:

Very warm reception from when she opened the door. I knew straight away that I was in for a good time. She started with deep french kissing from the door. She then started to undress me in a slow and sexy manner, while looking into my eyes. She then started giving me a slow and deep OWO, with lots of eye contacts. All I wanted was to enter her petite young body. Rubber in place and she sat on me. She is very tight. This girl was riding me and playing with herself. I was not going to cum so quickly, so pleaded for a change of position to doggy. She is even more beautiful from behind. Well, to cut a long story short, I came twice within the hour. She is a sweetheart. Please treat her with respect
