The Premises:

A perfectly safe house, although just a little exposed to a couple of shops opposite, although no one appeared to be taking any notice. Parking is bit of a problem during the day because of Residents permits, so you need to park at the bottom of the road. After 6.30pm no problem. The room was perfectly clean and acceptable, and a shower was available.

The Lady:

A beautiful and very charming young lady - blonde, about 5'7", I'm not good on measurements but I would have thought 34D-26-33, or something like that. Certainly good looking enough and charming enough to be in a more expensive setting.

The Story:

Barbie is here to study English, and she has only just arrived, so you have to speak a little slowly as yet. However she is very intelligent and will obviously speak fluently before she leaves in November. She made me feel very comfortable, so I was a little disappointed that I couldn't fully arise to the occasion. However this was not due to any lack of care or effort on her behalf. I didn't attempt a large number of things on offer, because I wanted a simple GFE and that's absolutely what I want. She is a lovely girl and deserves to be treated well.
